

California Proposition 65 Declaration

Date: 22 March, 2018

Dear Valued Customers and Distributors,

This document is generated to declare to Triad Magnetics Customers that items produced and sold by Triad Magnetics DO NOT contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm to humans.

The Proposition 65 chemicals list can be found at:

Triad Magnetics continues to monitor the Proposition 65 as well as REACH requirements for newly listed chemicals, comparing these with the raw materials in our products. Any changes to the status of Triad Magnetics' compliance to Proposition 65 will be promptly communicated to our Customers.
